SCENE I

Spilled seas,
the River Ocean burst,
 amidnight swirls swept shattered decks;
fore, plunged
 yawning troughs
 of Seethe & Typhon
rupting nightplowed plains of serped Earth⁽¹⁾
 wrathing underhoof of starrs
 (their silver harps strung mad!
!) Undine! Undine!

To quarters called, "I am the arkh!"⁽²⁶⁾
 (of Demi urge and Irae
 wrathe, aye, am!
what Vernal tears
 of Amniotic Sea...) Awash!

and wind howls back, "Lapstrake! Gaff-Head! Square Rigger! Heed!"

Howls laugh, the sea's in shock; foul wind the faery foresail royal
skysail³ is ashred! A flyin' flaappin' ghost upon me yards, brace
tangledtom, dead eyes! Guys here! Now hol' the sheets!
Feet on the boom!

Head on the gaff!
